**9th Annual Parade of Lights and
Christmas Tree Lighting
Saturday, December 7
*see page 4***

Greetings from Your Mayor

Dear Citizens,

Greetings and good wishes for the holiday season. The city has so many wonderful activities planned for our citizens and we hope you will take the time to enjoy as many as possible. Let's just hope the weather holds out for us.

Please read all the articles inside *Euless Today* for the listing of special events and the times. You won't want to miss any of them.

ICEFEST 2002 begins the season the Saturday after Thanksgiving with free ice skating for the entire family at the Dr Pepper StarCenter. The 9th Annual Christmas Parade of Lights is the next weekend and afterward we will be lighting the new Christmas tree at the municipal complex. There will be Santa and goodies for the young ones.

This has been a good year for the city of Euless. We opened our new Police Facility, opened our new Parks facility along with the greenhouse and have just finished revitalizing the old police building into new quarters for the Fire Administration, Purchasing and Information Services.

And the big PLUS is that we did not raise any city taxes for our citizens and we have managed to keep all of our city services for you. In addition, we raised the senior citizen's tax exemption to \$35,000. Your conservative City Council and city staff members were able to manage our budgets, cut costs when possible and still provide our citizens with many services. We have not raised our tax rate in more than 10 years and have consistently lowered the rate.

We have graduated our 16th Citizens Police Academy and our fourth Citizens Fire Academy. All the graduates are a great help for the city in volunteering so many hours of service. If you are interested in joining one of these academies, please contact the non-emergency police and fire departments.

Our Heritage Park Christmas celebration on December 14 will be our formal kick-off for the 50th Celebration of Incorporation for the City of Euless. Please join us for this special old-fashioned Christmas celebration from 4 to 8 p.m.

Our talented staff has designed a beautiful Christmas ornament in commemoration of the 50th Celebration. It is a three-dimensional ornament that will surely be a keepsake for years to come. The order form is included inside this issue. We will have all the orders ready by December 14 at the first celebration at Heritage Park. Late orders may be placed for a later delivery.

We are looking for all veterans of all wars that live in Euless or have lived in Euless. As part of our 50th Celebration, we plan to honor our veterans next year during the Veteran's Day Celebration. If you are a veteran, please let us know so we can send you an invitation.

The city will be celebrating our 50th Anniversary all year long with special events. Please put Thursday, April 27, 2003, on your calendar for that will be Euless Citizens Night at Arbor Daze. The Trinity High School theatre department and the HEB Honors Choir will dazzle us with the history of Euless. If you have any interesting photos to share on the big screen that night, please respond to the invitation on the back cover of *Euless Today*.

The city of Euless is growing daily. We have more than 950 single family residences being built today. Our population is over 48,000 and more families are moving here each month. We are known as a friendly city with lots of volunteers to do all the wonderful activities the city provides. Please welcome these new families and get them involved. Next summer we are hosting the "Games of North Texas" and we will need many extra volunteers. Encourage all your friends to join our fun family of volunteers.

With all the exciting events and our great citizens that live and work in Euless, it's no wonder so many think of Euless as the place to be. Truly, *Together We Are Building A Better Tomorrow* for all our citizens.

Retired Battalion Chief leaves with many happy memories of Eules

On October 1, 1973, Jack Watson arrived at the Eules Fire Department prepared for his first day of duty. Exactly twenty-nine years later, on October 1, 2002, Jack arrived at the Eules Fire Department, Station #3, prepared for his last day of duty.

In the past twenty-nine years, Jack has worked his way through many promotions, including Firefighter, Driver, Lieutenant, Captain and finally earning the rank of Battalion Chief. Responsible for an average of 17 men, Jack was more than just a leader — he was a friend. He truly cared for the guys. It is a bond that has several times called him away from his family to help someone in need.

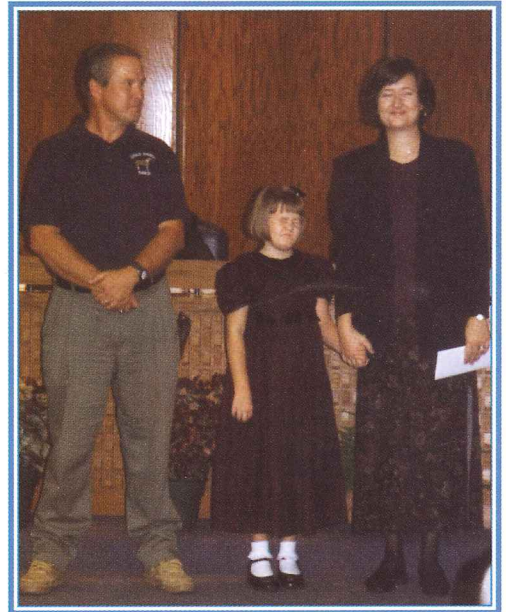

Over his many years of service, Jack has been awarded several recognitions:

- 1975 Firefighter of the Year
- 1981 Fire Supervisor of the Year
- 1987 Supervisor of the Year
- 1995 City of Eules Employee of the Year
- 1998 Distinguished Unit Award

In the early hours of Jack's last shift, the Eules Fire Department answered a call to a residence on fire. It seemed befitting for this firefighter to end his career doing what he deeply loves. With no injuries on the scene, the fire was quickly put out and it was a job well done.

These days you will find Jack out on his horse ranch in Keller with his wife, Becky. Beginning a new routine of life is a bittersweet experience for Battalion Chief Watson. Proud of his tenure with the Eules Fire Department, he leaves with many happy memories. Yet the sadness of leaving stays strong in his heart, as well as in our own. Thank you, Jack, for a job "well done!"

— by Penny Carrillo

Jack Watson and his family accept a proclamation for his 29 years of service in the Eules Fire Department from the Eules City Council at the October 22 meeting.

The note from the Eules Animal Shelter read...

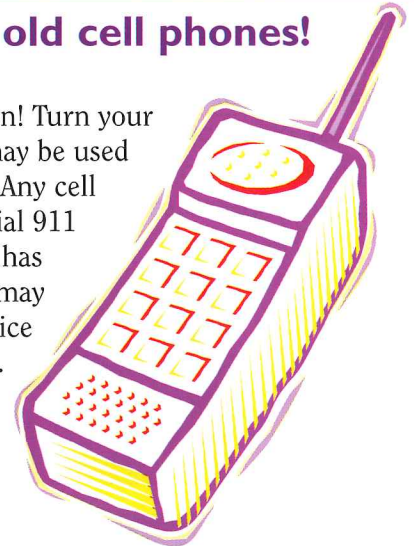

Please send dry food, blankets and kitty litter...we just need someone to help us out while we wait for our new owners to pick us up!

Eules

50th Anniversary 1953 - 2003

In 1867, Elisha Adam Eules moved from Tennessee to Texas. In March of 1879, Eules purchased 170 acres in the area known as Woodlawn from his mother-in-law. This area is near the current intersection of North Main and West Eules Blvd.

The land included a two-story Grange Hall that had been built in 1877. The first floor was used as the community school and by the local Methodist and Presbyterian Churches. The Grange used the top floor.

Eules prospered as a farmer, producing considerable amounts of cotton and corn. In 1881, he bought 80 additional acres where a cotton gin stood.

The community that grew around the cotton gin and Grange Hall came to be called "Eules."

A post office opened in 1886. But due to a clerical error in Washington, D.C., it was named "Enless." The name was corrected when the post office was

re-established in 1949 inside the Fuller Brothers Grocery.

Eules was incorporated in 1953 in order to provide municipal water and other city amenities. However, later in the year, residents who were unhappy over taxation policies signed a petition to hold a disincorporation election. Although the City of Eules was dissolved in late 1953, it was re-incorporated in early 1954.

These tumultuous times were the beginnings of the City of Eules – now home to 47,950 residents, ten elementary and secondary schools, numerous businesses, a state-of-the-art public library, a premier golf course and athletic complex, an enviable police and courts facility, three community centers, 16 parks and more.

Eules will celebrate our 50 years of incorporation throughout 2003.

**Please join us in our
50th Anniversary Celebrations
beginning on December 14 at Heritage Park
and throughout 2003.**

Boy Scouts award City Manager with Lifetime Achievement Award

Civic leader, husband, father, scouter and all-around good guy. That is how Joe Hennig was described at the presentation of the first Lifetime Scouting Achievement Award from the Roadrunner District of the Longhorn Council, Boy Scouts of America.

City Manager Joe Hennig

According to the presentation, "Hennig joined Cub Scouts in 1955 in a pack in Whitewright, Texas. We are pretty sure he had a good time in Cub Scouts because he went on to join Troop 42 Whitewright, then part of the Texomo Valley Council in 1958. Seems like he learned a few things while a member of Troop 42 because in 1962, at the ripe old age of 15, Joe earned the rank of Eagle Scout. Quite a feat back in the sixties since some say the requirements were tougher then. (Of course some say the "good 'ol days" were always harder.) During his years as a Scout, Hennig learned to follow the Scout Oath and Law that has formed the foundation for his public and private life.

"Hennig graduated from Texas Tech University in 1969 and went to work for Texas Power and Light Company, a company he worked for until 1992. In 1992, he joined the management team for the City of Euless, first as Director of Development Services, then Assistant City Manager, Deputy City Manager and in 1999 he became City Manager.

"While advancing his professional career, Hennig never neglected that part of the Eagle Scout charge that reminds an Eagle Scout to give back to his community."

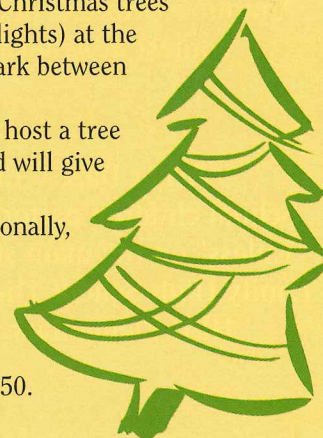

Euless Parks and Community Services Department presents 15th Annual Christmas Tree Recycling Event

**Saturday, January 4
9 a.m. – 3 p.m.
Midway Park
615 North Main Street**

Don't throw away your Christmas tree: Recycle it! The city uses the mulch throughout the year to maintain city parks and medians. Residents may bring their own bag to fill with mulch from the Parks Department for their gardens or flowers. Limit one bag per person. The Parks Department may work with residents on additional quantities if available.

Residents may dispose of Christmas trees only (with no ornaments or lights) at the designated area of Midway Park between December 26 and January 4.

On January 4, the city will host a tree mulching demonstration and will give away bags of mulch and tree saplings to the public. Additionally, hot dogs and drinks will be available for free to anyone who participates in the recycling event. For more information, call 817-685-1650.

Looking for Euless Veterans

The City of Euless is developing a Veterans Memorial to be unveiled in 2003. We are requesting names and addresses of current or former residents of Euless who have honorably served in the Army, Navy, Air Force, Marines or Coast Guard.

Although individual names will not appear on the memorial, the City would like to invite all Euless veterans to attend the ceremony in the fall of 2003.

Please contact Linda Turbeville at 817-685-1423 or lturbeville@ci.euless.tx.us

Keep Euless' Creeks Clean and Reduce Flooding

Broken fencing, old tires, broken toys, tree limbs, empty soda cans, old mattresses, bags of trash...all of these things have been found in Euless creeks.

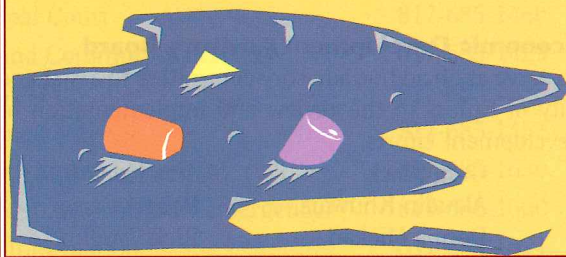

Not only are these items unsightly, they are also major contributors to flooding.

When we have heavy rains, the fast-moving water picks up the trash and carries it to bridges where it blocks up the creeks. This causes the water to go up and out of the creek — into streets, yards and homes.

What can you do?

Please don't throw trash into our creeks.

Let's keep Euless' creeks clean and lessen the occurrences of flooding.

Three city divisions move into renovated Police building

After the dust cleared and the Police Department moved into their new facility on West Euless Blvd. in January, the real work began. Walls were torn down, carpet pulled up and tile scrapped in preparation for the renovation into new offices.

Over the next nine months, the old police station and jail was transformed into a new home to Fire Administration, Purchasing and Information Services. Dingy beige walls have been replaced with fresh coats of periwinkle and ecru. Yucky brown carpet has been replaced with crisp, clean grey carpet and flooring.

Now known as Building D, the entrance to Fire Administration faces North Ector and the Post Office. The Purchasing offices are on the north side of the building and face Trojan Trail (what used to be the sally port of the police building). And the new delivery dock is on the south side of the building. All phone numbers remain the same.

The new renovation on the schedule is the remodel of Building A (formerly a recreation center), into a premier City Hall. The City Council chambers will be relocated and will feature electronic voting and computer access for Council members and stadium seating for the public and visitors.

So next time you see dust flying at the Municipal Complex, you'll know we're "Building A Better Tomorrow" for our citizens.

YOUTH JUJITSU

This course continues to develop skills for the young martial artist through the years of adolescence, which are normally considered the most important years of character and physical development in one's life. As advanced Jujitsu techniques (such as joint locks, choke holds and free fighting) are being practiced in high intensity, students are taught to exercise extreme self-control and to behave maturely with regard to the well-being of others. Through diligent practice and proper guidance, students will develop Strength in the Body, Knowledge in the Mind, and Integrity in the Heart to deal with the potential confrontations and peer pressures in society. Texas Star Golf Course and Conference Centre

www.TexasStarGolf.com

World Class Golf

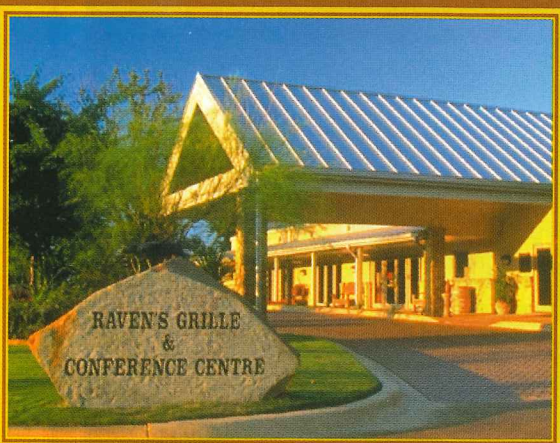

Texas Star features a unique landscape and design almost reminiscent of the Texas Hill Country. Throughout the 275 acres, players encounter rolling hills and century old oak trees with an assortment of native grasses outlining the expansive fairways.

The golf course was designed around Hurricane Creek, which meanders throughout the beautiful landscape of elevation changes, stacked rock ponds, waterfalls and natural woodlands. It is the perfect balance between nature and golf.

Park Highlight

J. A. Carr Park
508 Simmons Dr.

Not only is J. A. Carr Park home to the Simmons Senior Center, it is also home to a gazebo, rose garden, half-mile walking/jogging trail, sand volleyball court and picnic area. This park has been irrigated in the past year. This fall, the trail was lighted, new port-o-let enclosures were installed, rail fence repainted and a new sidewalk is now in place in front of the park. Stop by and take a walk around this beautiful park!

Fuller House

The Himes Log Cabin and Fuller House are open to the public the second Saturday of the month from 1 to 5 p.m. Admission is free. For more information, please call 817-685-1649.
